

# DAVID HENRY

Tualatin, OR, 97062 ● Ph 503.347.5717 ● [dhenry@reclaimdesign.com](mailto:dhenry@reclaimdesign.com)

## OBJECTIVE

I am looking for an opportunity to work with a company where I can be an essential part of a team.

## EXPERIENCE

### CSNW

Senior Web Designer  
03/11- 01/13

### CSNW Lake Oswego, OR

- Maintain and update CSNW's current websites, which include [www.powermax.com](http://www.powermax.com), [www.themacstore.com](http://www.themacstore.com), [www.bodelin.com](http://www.bodelin.com), [www.corp.csnw.com](http://www.corp.csnw.com), [www.irisproservices.com](http://www.irisproservices.com).
- I redesigned, as well as implemented the new designs for [www.powermax.com](http://www.powermax.com), [www.bodelin.com](http://www.bodelin.com), [www.corp.csnw.com](http://www.corp.csnw.com), as well as SkyNet (internal company accounting web application.)
- I helped design and implement numerous projects through Iris Pro Services, such as SurePay, Sure Systems and Portland Surgical Specialists.
- I also collaborate with the marketing team on web marketing campaigns and promotions.

### Reclaim Design

CEO / Senior Designer  
10/09-present

### Reclaim Design LLC Gresham, OR

- Built a large client base from all over the Western United States.
- [www.reclaimdesign.com](http://www.reclaimdesign.com)

---

**SaveOnResorts.com**

Assistant Marketing  
Director & Lead Designer  
2/08-10/09

**SaveOnResorts.com San Diego, CA**

- **Design:** Designed SaveOnResorts.com and associated websites and all marketing materials.
- **Web Marketing:** Helped hire and manage a marketing department of three members while overseeing costs in thirty destinations. Helped run meetings daily, weekly and monthly to ensure costs were acceptable, as well as strategize current/new search engine marketing (SEM) and search engine optimization (SEO) techniques.
- **Call Center:** Helped oversee call center of thirty representatives.
- **Training:** Developed and designed a training manual which directly resulted in cost savings by reducing turnover from 75% to less than 10%.

---

**Chasetheweb.net**

Lead Designer
